

## **Energy & Mining Market**

# **STORAGE TANKS**

#### **CONFIDENTIAL**

Markets: Energy & Mining

• Country: Japan

• Courtesy of: Superior Products Japan

#### PROJECT DESCRIPTION

Multinational company needed to reduce the impact of atmospheric temperatures on their storage tanks in numerous location in Japan.

#### **COATING SOLUTION**

Tanks were insulated with SUPER THERM (400 $\mu$  WFT / 250 $\mu$  DFT) and the all stairs, railings and platforms were further treated with ENAMO GRIP.

### **PRODUCTS WE USED**

Super Therm® Enamo Grip
