

## **BRIDGE IN COLORADO**

## *Telecom & Infrastructure Market*

### COLORADO STATE HIGHWAY

- Markets: Telecom & Infrastructure
- Country: USA
- Courtesy of: Superior Products International

### PROJECT DESCRIPTION

Old bridge in Colorado needed treatment to address extensive deterioration.

### COATING SOLUTION

RUST GRIP and ENAMO GRIP were applied. After only high water pressure cleaning to remove all loose paint and debris RUST GRIP and ENAMO GRIP were applied.

Additional benefit was that the existing paint did not have to be removed by sand blasting and thus saved a lot of labor and waste costs.

### PRODUCTS WE USED

**Rust Grip®**  
**Enamo Grip**
