

## **INFRASTRUCTURAL CRANE**

## Telecom & Infrastructure Market

### CONFIDENTIAL

- Markets: Telecom & Infrastructure
- Country: USA
- Courtesy of: Superior Products International

### PROJECT DESCRIPTION

Crane needed to be handled against corrosion and protected against the elements.

### COATING SOLUTION

RUST GRIP was applied in 2 layers to prevent further damage from rust. ENAMO GRIP was added as a protective layer in a customized yellow color as requested by the customer.
